ABOUT

www.theplatinumgrp.com/about/our-mission

In 2021 Dean Bachelor, Platinum Group Founder, passed away leaving Meaningful Capitalism as his legacy and the mission of Platinum Group.

Dean's passion was to bring significant meaning to all stakeholders of every client Platinum worked with and to drive their growth and success through our shared economic engine—capitalism. Meaningful Capitalism Awards was created to honor companies that live out Meaningful Capitalism.

The Meaningful Capitalism Awards celebrate businesses that are financially successful, privately held free market enterprises benefiting all of their stakeholders in significant ways.

Ballroom in Golden Valley, MN | 5:30 - 8:30 PM**

Each May the Platinum Group hosts the MCA Reception to recognize Award finalists and to announce the Award Honorees.
